

# Join the BHF Northern Ireland Lived Experience Panel!

## ABOUT THE PANEL

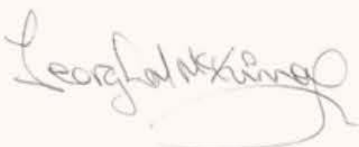

- **British Heart Foundation Northern Ireland** have commissioned **Diffley Partnership** – an independent research agency – to create a panel of **people in Northern Ireland with cardiovascular disease**
- The panel will be involved in a range of **online activities**, such as polls and focus groups
- Members will receive incentive payments as a thank-you for their participation
- You are warmly invited to join this panel. Following registering interest, we will be in touch with how to get involved.

### INTERESTED IN TAKING PART?
